International PCT Patent Application
No. PCT/CA00/01026 – 01 September 2000
SEVERAL GAS FLOW MEASURING DEVICES
AND SIGNAL PROCESSING METHODS
Applicants: Microbridge Technologies Inc. et al.
Our reference: 14836-1 "PCT" JA/ld

Dear Sirs:

In the International Search Report mailed January 9, 2002, the International Searching Authority amended the Abstract as indicated in Box III of the International Search Report.

Applicants believe that the descriptive portion of the Abstract which the International Searching Authority proposed to delete at lines 16 through 24 are important for proper characterization of a feature of the invention and are particularly useful to guide the public when searching the Patent literature.

It is further more believed that Applicants' proposed Abstract, a copy of which is attached hereto, provides for a sufficiently concise Abstract, as required under PCT Rule 8.1(b).

Respectfully submitted,

SWABEY OGILVY RENAULT
